Academic License Order Form

MetaEdit+ Academic License is available on Windows, Mac OS X or Linux. Prices include shipping and handling, but exclude duties, taxes, and other official charges (VAT).

The Academic Edition includes the full MetaEdit+ Workbench license. MetaEdit+ license will be delivered to you in a downloadable electronic version. The License does not include support and maintenance.

Windows licenses may be installed on University computers or students' own computers; Mac and Linux licenses must be installed on University computers. For students' Mac or Linux computers, the Windows version may be run in a virtual machine, or we can offer up to 3-month time-limited licenses for use on a course.

Optional MetaEdit+ Maintenance Program is a comprehensive maintenance and support service for MetaEdit+ software. The service includes access to all minor and major upgrades as well as full e-mail, fax, and phone support.

Please notify MetaCase if you want your organization excluded from our list of users.
